Aeropark Volunteers Association

New Member Application Form

2011/2012

Invitation to join Aeropark

We invite you to join the Aeropark Volunteers Association. Our group of enthusiasts operate the aeropark on behalf of East Midlands Airport. Our main priority is the preservation, maintenance and refurbishment of the Aircraft/ Aeronautical exhibits in our care.

We carry out general site maintenance, and staff the aeropark when it is open to the general public during the year. There are also school educational visits during the week. In addition we have "open days" when aircraft cockpits are open for viewing.

Organised trips to other aviation establishments are also a feature in our calendar.

You will find a friendly atmosphere amongst our group and be welcomed, and encouraged to get involved in whatever you are willing and able to do.
